

**Florence Elementary School Supply List
2020-2021**

I have received requests for a school supply list for Florence. Please note, we will provide all necessary school supply items for your child. If you would like to donate the following items, it is greatly appreciated. We realize that some students like to bring some of their own items. If you do choose to buy your own items, we ask that you please bring what is on the list and not other items. Thank you so much!
